**Subject : UNESCO/ISED Co-Sponsored Fellowships Programme – 2012**

Madam/Sir,

On behalf of the Director-General, I am pleased to inform you that the International Center for Sustainable Energy Development (ISED) in Moscow is offering thirty (30) fellowships of four-week duration within the framework of the UNESCO/ISED Co-Sponsored Fellowships Programme.

The energy questions being the priority for the international community and the United Nations System, these fellowships are aimed at enhancing the capacity-building and human resources development in the field of sustainable and renewable energy in developing countries and countries in transition.

The training will be held in specialized institutions in the Russian Federation from **1 to 26 October 2012**. The medium of instruction being in Russian, only candidates proficient in this language are eligible to apply.

The Annex II to this letter provides detailed information concerning the fields of study proposed, the qualifications required, the facilities offered, the general conditions governing the award of fellowships and the procedures for the submission of applications. To enable the Selection Committee to make the best possible choice, I should be grateful if you could arrange for your country's nominees (a maximum of 2 candidates) to complete and attach – in as detailed manner as possible – the required forms and documents. All applications should be sent in **duplicate** to UNESCO Fellowships Section not later than **31 May 2012**. An advance copy may be sent by e-mail ([l.pigeonneau@unesco.org](mailto:l.pigeonneau@unesco.org)) or by fax (33.1.45685503).

This Programme is offered in open competition. As the number of fellowships put at the disposal of UNESCO under this Programme is limited, only candidates who demonstrate outstanding intellectual qualities, imagination and personal commitment will have a chance of being selected.

Please accept, Madam/Sir, the assurances of my highest consideration.

  
Eric Falt
